CREATE A SOCIAL MEDIA POST

1. Introduction:

1.1 Overview

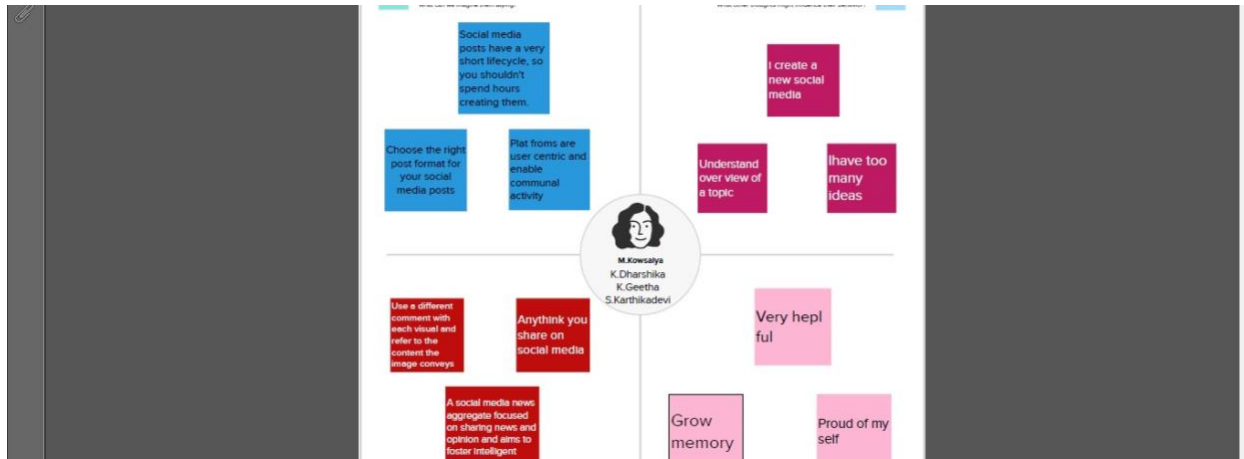

Social media refers to the means of interactions among people in which they create, share, and/or exchange information and ideas in virtual communities and networks. The Office of Communications and Marketing manages the main Facebook, Twitter, Instagram, LinkedIn and YouTube accounts.

1.2 Purpose

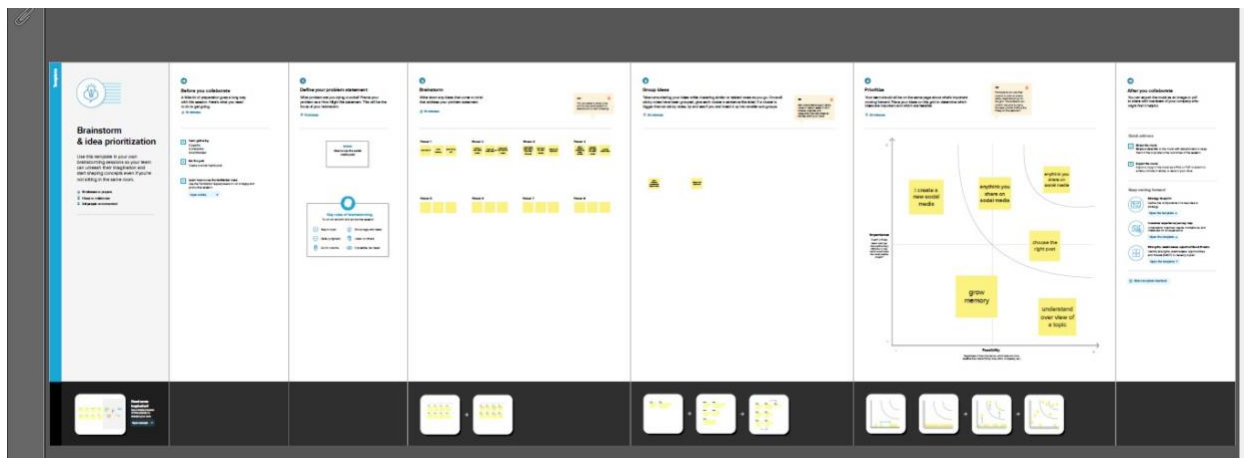

Social Media Poster is an automation tool designed to help you easily reach your audience and manage your content in all major social networks from one tab; it lets you plan, schedule and publish posts, and analyze your social media performance.

2. Problem Definition and Design Thinking:

2.1 EMPATHY MAP

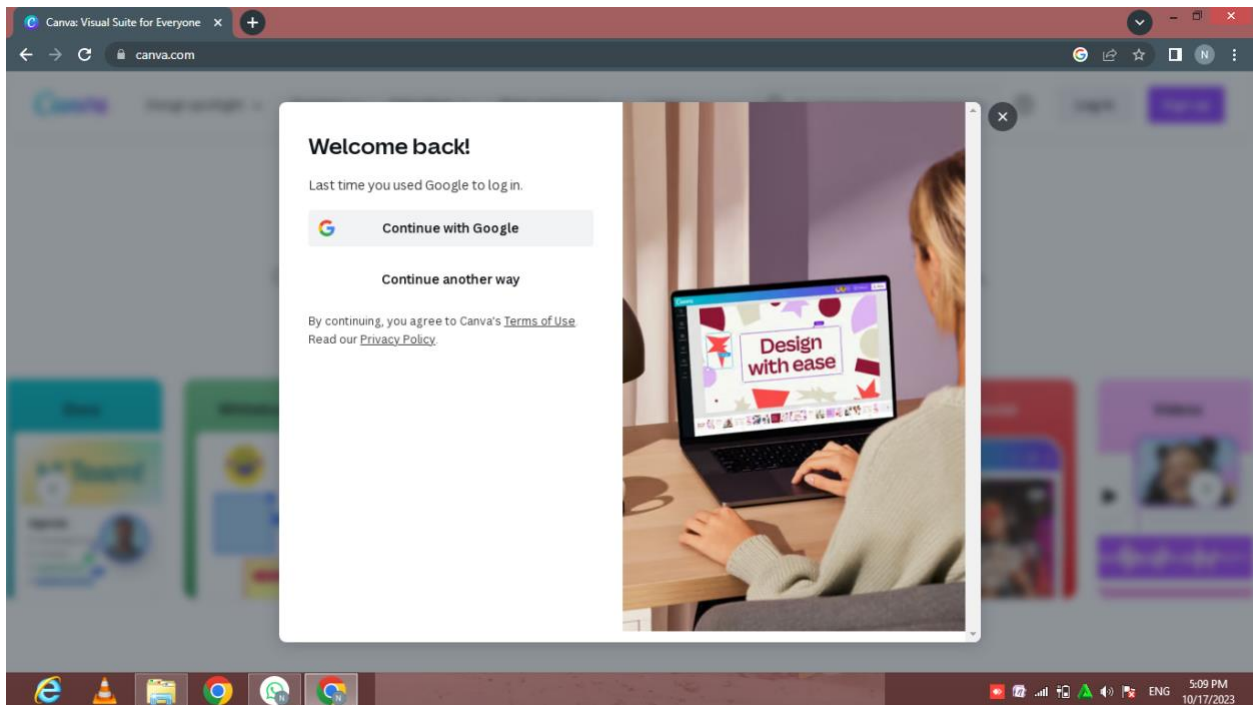

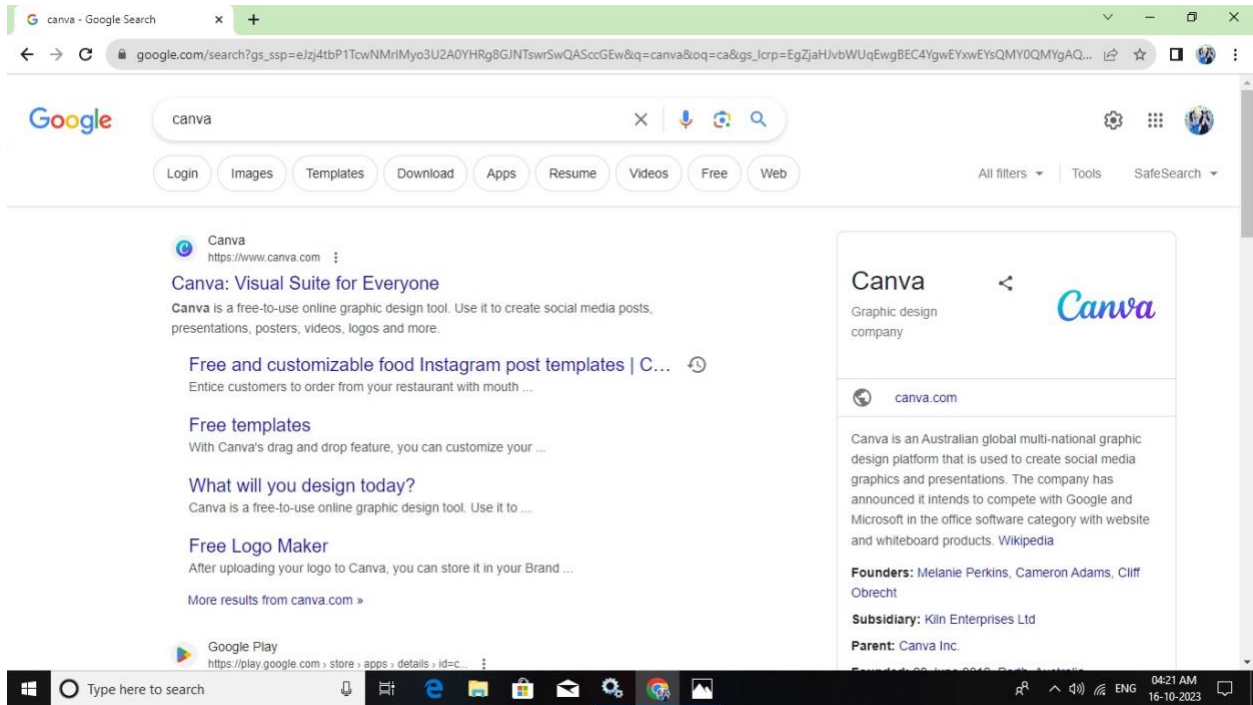

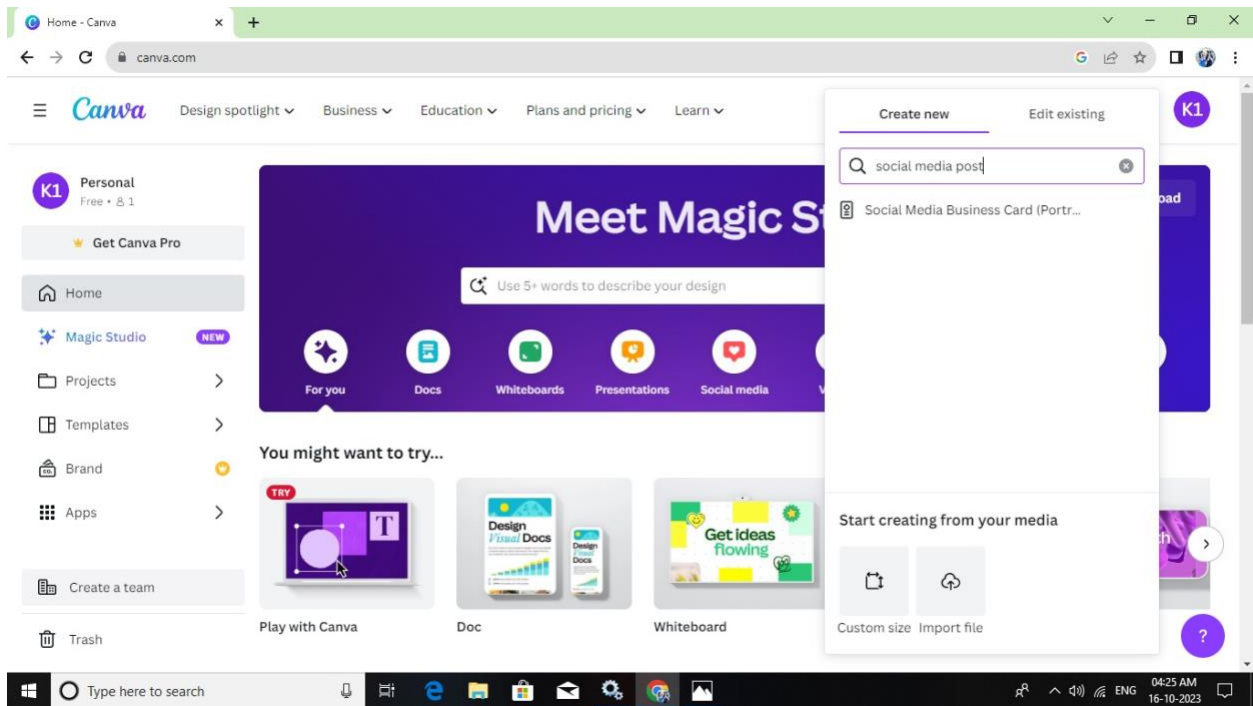

2.2 IDEATION AND BRAINSTORMING MAP

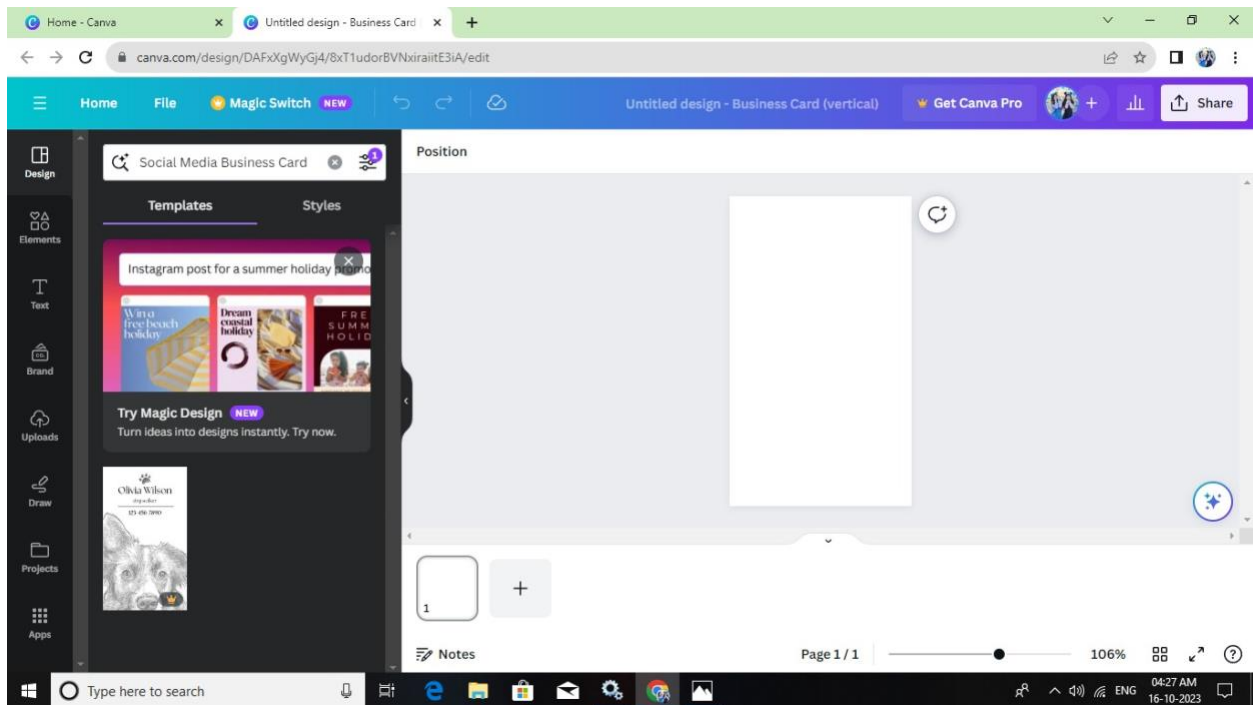

3.Result:

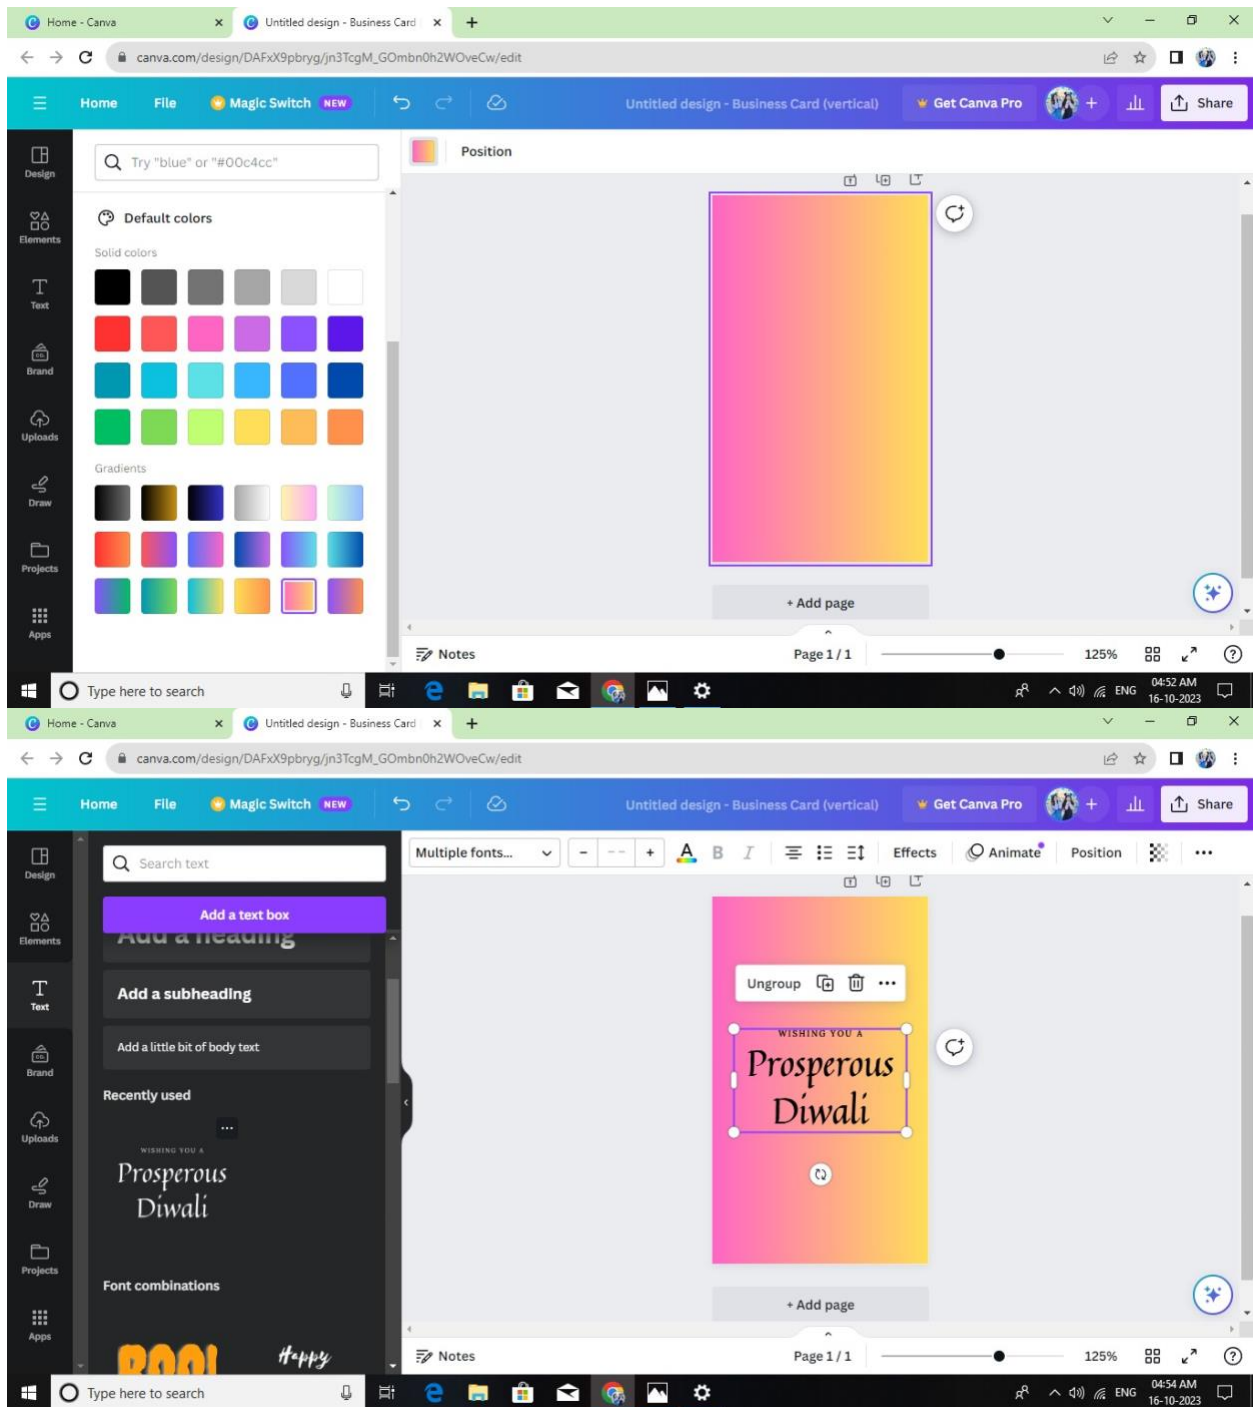

Signup To Canva. Next Continue with Google and create a design.

4. Conclusion:

Social media is a really convenient and important communication network for all the people nowadays. [] We can use it to know friends and keep contact with friends that came from different countries. [] We can also share our ideas so quickly so that all the things could develop so fast because people could tell us their ideas and we could improve it immediately. [] People could also sell things on social media freely which could reduce the expenditure of advertisements.

5. Future scope:

Using Social Media for Business

1. Creating Brand Awareness • Grow your audience • Pay for ads to get extra exposure • Share photos to increase location and product awareness • Allowing people to reference you
 2. Staying In Touch With Customers and Build Loyalty • Provide consistent content • Share your passion and history • Post success stories • Show what makes you unique from your competition • Use your own voice • Be honest and make connections
 3. Increasing Search Results • The more places you are online, the more places people can find you
 4. Build Sales • Convert fans and followers to paying customers
3. SUCCESS ON SOCIAL MEDIA • It's all in the content - Post Frequently - Post Consistently (with volume and regularity) - Post relevant information for your audience - Post things that get your audience excited (social media should be fun!) • Start with a plan, and you'll always have something to post!
